

# Grifftabelle für Böhm-Klarinette

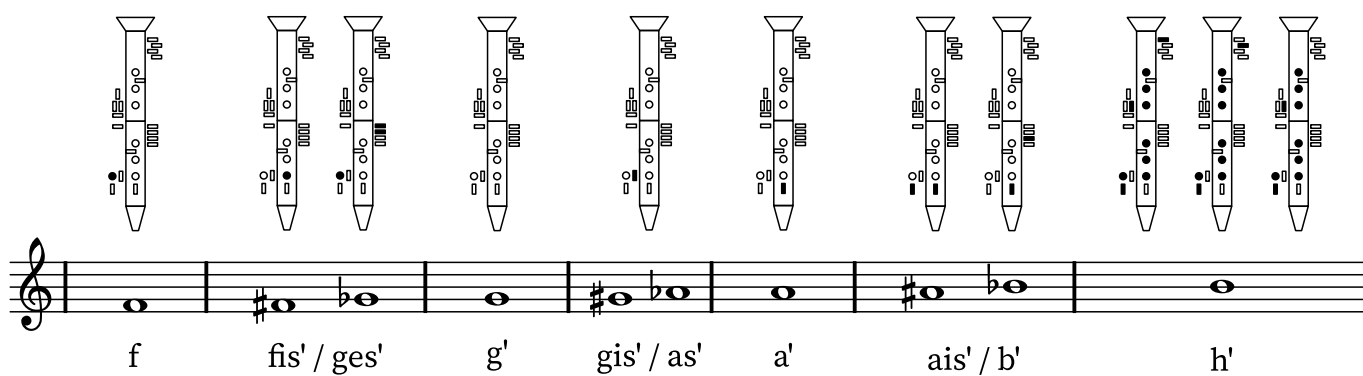

First row of fingering charts and musical notation. Each note is shown with its fingering on a clarinet and its corresponding musical notation on a treble clef staff.

| Note      | Fingering Diagrams                                                     | Musical Notation |
|-----------|------------------------------------------------------------------------|------------------|
| e         | Three diagrams showing different fingerings for the note e.            | e                |
| f         | Two diagrams showing different fingerings for the note f.              | f                |
| fis / ges | Three diagrams showing different fingerings for the notes fis and ges. | fis / ges        |
| g         | One diagram showing the fingering for the note g.                      | g                |
| gis / as  | Two diagrams showing different fingerings for the notes gis and as.    | gis / as         |
| a         | One diagram showing the fingering for the note a.                      | a                |

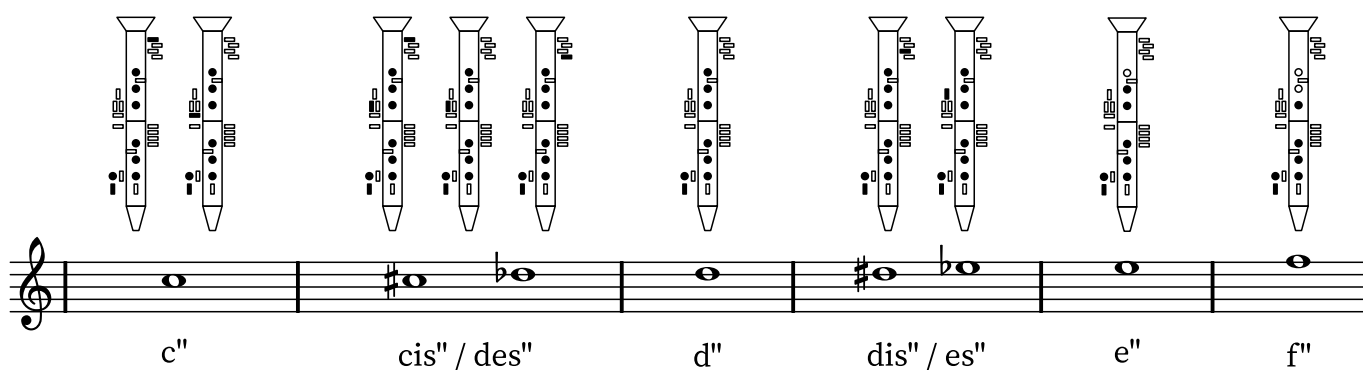

Second row of fingering charts and musical notation. Each note is shown with its fingering on a clarinet and its corresponding musical notation on a treble clef staff.

| Note        | Fingering Diagrams                                                     | Musical Notation |
|-------------|------------------------------------------------------------------------|------------------|
| ais / b     | Three diagrams showing different fingerings for the notes ais and b.   | ais / b          |
| h           | One diagram showing the fingering for the note h.                      | h                |
| c'          | One diagram showing the fingering for the note c'.                     | c'               |
| cis' / des' | Two diagrams showing different fingerings for the notes cis' and des'. | cis' / des'      |
| d'          | One diagram showing the fingering for the note d'.                     | d'               |
| dis' / es'  | Two diagrams showing different fingerings for the notes dis' and es'.  | dis' / es'       |
| e'          | One diagram showing the fingering for the note e'.                     | e'               |

Third row of fingering charts and musical notation. Each note is shown with its fingering on a clarinet and its corresponding musical notation on a treble clef staff.

| Note        | Fingering Diagrams                                                     | Musical Notation |
|-------------|------------------------------------------------------------------------|------------------|
| f           | One diagram showing the fingering for the note f.                      | f                |
| fis' / ges' | Two diagrams showing different fingerings for the notes fis' and ges'. | fis' / ges'      |
| g'          | One diagram showing the fingering for the note g'.                     | g'               |
| gis' / as'  | Two diagrams showing different fingerings for the notes gis' and as'.  | gis' / as'       |
| a'          | One diagram showing the fingering for the note a'.                     | a'               |
| ais' / b'   | Two diagrams showing different fingerings for the notes ais' and b'.   | ais' / b'        |
| h'          | One diagram showing the fingering for the note h'.                     | h'               |

Fourth row of fingering charts and musical notation. Each note is shown with its fingering on a clarinet and its corresponding musical notation on a treble clef staff.

| Note          | Fingering Diagrams                                                       | Musical Notation |
|---------------|--------------------------------------------------------------------------|------------------|
| c''           | One diagram showing the fingering for the note c''.                      | c''              |
| cis'' / des'' | Two diagrams showing different fingerings for the notes cis'' and des''. | cis'' / des''    |
| d''           | One diagram showing the fingering for the note d''.                      | d''              |
| dis'' / es''  | Two diagrams showing different fingerings for the notes dis'' and es''.  | dis'' / es''     |
| e''           | One diagram showing the fingering for the note e''.                      | e''              |
| f''           | One diagram showing the fingering for the note f''.                      | f''              |

fis'' / ges''    g''    gis'' / as''    a''    ais'' / b''    h''    c'''

cis''' / des'''    d'''    dis''' / es'''    e'''    f'''

fis''' / ges'''    g'''    gis''' / as'''

a'''    ais''' / b'''    h'''    c'''
